

Important information about Zyprexa

If you or someone close to you took the antipsychotic drug Zyprexa (olanzapine) prior to June 6, 2007, [click here](#) to download and read the notice of the hearing for the settlement approval of the Zyprexa class action lawsuit, as it may affect your legal rights and you may be eligible for compensation. This information is important for individuals who have taken Zyprexa and have developed diabetes, hyperglycemia, ketoacidosis, or pancreatitis as a result.

The **claims deadline is October 28, 2010**. The claim form link is listed below.

It is important that individuals start preparing their claims well in advance of the deadline as there are records that need to accompany the claims which may still need to be acquired.

For further information, please click onto the following links for the notice, claim form, and press release.
